OVERSEAS NICARAGUAN GOVERNMENT PRESS REPRESENTATION

1. The New Nicaragua News Agency (ANN) was set up by the Sandinista Government in 1979 as an international news service which provides its service primarily through non-aligned news agencies. ANN does not have a domestic service. We know specifically that ANN has representatives in Paris, Costa Rica and New York City. The newspaper "El Nuevo Diario" also has a stringer correspondent in Mexico City.

2. In addition, the Nicaraguan Government can be expected to have an officer assigned with press responsibilities at its Embassies and Consulates abroad, which are located in the following countries:
